Featured Business

Greene Street Cigar Co. has been selling cigars at 614 Greene Street since 2011, in October they expanded into a second location at 540 Greene. Patrick, the owner, gets his love of cigars from his father, “We had some really great experiences together while enjoying fine cigars.” Patrick is not only passionate but highly knowledgeable about cigars. “While I attended business school at Santa Fe College in Gainesville, Florida, my father and I opened our first cigar store there; it was a great learning experience,” he says smiling. “Everything we learned went into this place.” He dreamed of owning a business and settling back home in Key West. “I grew up here after moving from Miami when I was five, I love it.” He noticed there weren’t many places to have a drink and enjoy a cigar; this was the impetus in opening the new, larger location.

Greene Street Cigar offers 510 different cigars from a large walk-in humidor. It’s a very comfortable, welcoming space with overstuffed leather sofas and big screen TV’s. The long bar is the centerpiece serving fine wine and craft beers on tap. “There’s been a cigar boom in Key West for the last three years and we are feeling it,” says Patrick. Locals and tourist flock here and it’s not just for the selection, the staff is highly trained. “That’s what sets us apart; we know cigars and how to pair them with coffee, port, wine and beer...or just to smoke.” “Come on in or give us a call at 305-741-7248, your pleasure is our pleasure.”

Greene Street Cigar & Cafe is open daily from 11am to midnight.

A fixture of the Lower Keys for years, Bobalu's is under new ownership and better than ever. Located precisely at mile marker 10 in Big Coppitt, new owners Tina and Steve DiGiovanni are excited to share their award-winning cuisine from the Tampa-area. Since taking over the restaurant in July of 2014, the duo has renovated the interior of the premises with new décor, seating, and air conditioning, a vital addition in South Florida.

In addition, they've installed a dog-friendly back patio where they encourage guests to come and enjoy some of the best local fare money can buy.

Executive chef Steve has been in the kitchen his whole life, mastering different techniques and finding inspiration in local ingredients.

Tina, who runs the front of the house and ensures quality control, says the locals are what make her job special.

"It's great to be in a place where people are knowledgeable about their food and appreciate the difference in quality," she states.

Quality and freshness, in particular, are what sets these owners apart from previous purveyors.

"Everything is as fresh as possible," Steve describes. "Soups, sauces, dressings, and desserts are made from scratch every day."

For example, their prime rib, which won the Golden Fork award, is roasted to perfection daily and comes in a 12 and 16 ounce portion, respectively.

Also, their Early Bird Special might be the best deal in the area: an entrée and two sides for just \$10.99.

Don't have time to dine? With Bobalu's new take-out option the whole menu is at your disposal.

"We put special effort into everything we do," Steve says.

With over 30 culinary awards in 15 years and a new wine list, Tina and Steve invite you to come sample their culinary creations.

KEY WEST  FITNESS
CENTER

Key West 24hr Fitness, prominently located at 725 Caroline, will be the newest, most high-tech fitness facility in the Florida Keys.

John Lepowski, owner of the gourmet Key Plaza Creperie, says the idea for the project came to him about a year and half ago.

“It’s something I kept thinking about and then suddenly the opportunity presented itself,” he recalls. “So I went for it.”

While the facility is technically a gym, Lepowski stresses that it will be much more than that.

“All the cardio equipment are models with Touch Screen, WiFi, Bluetooth, and Hi Def consoles. It’ll be the first state-of-the-art gym in the Keys.”

It is important to Lepowski that the gym offers something for everybody, as such they proudly tender 50 live classes per week with accredited trainers brought in from around the country.

Additionally the facility has virtual trainers projected onto a 200” movie screen that teach over 330 classes for late-night visitors.

As with all of Lepowski’s ventures, quality and customer service are the foundation.

Everything from the floors to the walls are high-end, custom material designed for luxury and the enjoyment of members to workout and then head to his or her steam rooms.

Furthermore, to ensure the safety and privacy of guests, a modern biogenesis fingerprint recognition system will be the basis for entry.

Lepowski encourages prospective members to visit KW24hr.com for enrollment opportunities and a glimpse into the future.

With its doors opening around New Year’s, now is the time to start your resolution.
